

Dr. Anish Bajaj

Arkansas Chiropractic Society Presents:

Chiropractic Homeostasis

April 27, 2024
Fort Smith, Arkansas

About The Instructor and Course

INSTRUCTOR: Anish Bajaj, D.C. is a nationally board certified chiropractor, who has been practicing in New York City since 2000. He is an Executive Board Member of the New York Chiropractic Council also serving as Chair of the Neuroscience and Research Committee and was awarded the 'Beacon Award' in 2023 for Chiropractor of the Year.

THIS COURSE: CHIROPRACTIC HOMEOSTASIS- understanding patients, their biology and providing them leadership through education and focussed care. Stabilizing the role of the Chiropractor through a review of our science and our unique perspective. We will be reviewing the history behind the Chiropractic Homeostasis Model, defining our profession with strength, honor and certainty. We will discuss breathing, balance, posture and the progression of proprioception-based models. We will learn new keys to establishing care of the foot and spine by unraveling brain processes and adapting to technological progression. We will also learn why patient education mindset to documentation improves compliance and reimbursement.
