About The Instructors & Courses:

THIS COURSE: Protocols for Longevity -Optimizing Healthspan and Human Performance. The practical applications from this illuminating presentation will give you insight into a comprehensive methodology that incorporates proven practices into a clinically integrated system.

INSTRUCTOR: Dr. Robert Silverman is a chiropractic doctor, clinical nutritionist, national/international speaker, author of Amazon's #1 bestsellers "Immune Reboot" and "Inside-Out Health," founder and CEO of Westchester Integrative Health Ctr. Dr. Silverman is on the advisory board for the Functional Medicine University and is a science officer with NutriDyn, chief clinical consultant for KBMO Diagnostics and Erchonia EMEA.

THIS COURSE: Neurology Review and Chiropractic Applications For Neurological Dysfunction. Explore the nervous system from peripheral nerves to the brain and learn how neuroanatomy, neurophysiology, pain pathways, movement, and brain-body function relate to clinical practice. This hands-on course connects neurological assessment with practical clinical applications for identifying and managing common nerve and movement disorders.

INSTRUCTOR: Dr. Andy Barlow is a graduate of Life University and has been in private practice in Tupelo, Mississippi since 2001. He is a number one best-selling author and was selected by the National Registries Top Doctors of America as the number 1 chiropractor in the state of Mississippi.
