About The Instructors and Course

Instructor: Dr. Bobi Raney is a doctor of chiropractic practicing in Tulsa, Oklahoma. She is also an adjunct professor at Tulsa Community College. She counsels patients on lifestyle changes and uses evidence-based practice guidelines for individualized treatment plans.

Instructor: Dr. Larry Ward attended Palmer College of Chiropractic but graduated from Parker Chiropractic College. He has supplementary certification and has taught continuing education for several years in Intravenous Therapies. In addition to high dose Vit. C IV's, his experience includes EDTA, Ozone & UltraViolet Blood Irradiation protocols.

Instructor: Dr. David Harshfield is a graduate of Hendrix College, 1975 graduate with a B.A. biology and the University of Arkansas for Medical Sciences where he graduated with honors and a Medical Doctorate degree. He has served on the Arkansas State Medical Board and the American Board of Radiology. He holds a medical license in seven additional states.

Instructor: Dr. Kendall Wagner is a Board Certified Internal Medicine-Pediatrics Physician from the River Valley. He has been practicing in Fort Smith for 10 years and operates his independent practice in the Chaffee Crossing community at Chaffee Crossing Clinic. Dr. Kendall Wagner and his wife, Kathie Wagner are also proud owners of Aspire Medical Aesthetics bringing their unique blend of expertise and passion to their practice, creating an environment dedicated to exceptional care and results.

Topic: This course is designed for the integrative practitioner to diagnose, evaluate and properly manage a spectrum of disorders. Each of these speakers will present their take on how to attain optimal health for yourself and for your patients. Case studies will be reviewed and interactive workshops will be held.
