About The Instructors & Courses:

THIS COURSE: Neurology Review and Chiropractic Applications For Neurological Dysfunction. Explore the nervous system from peripheral nerves to the brain and learn how neuroanatomy, neurophysiology, pain pathways, movement, and brain-body function relate to clinical practice. This hands-on course connects neurological assessment with practical clinical applications for identifying and managing common nerve and movement disorders.

INSTRUCTOR: Dr. Andy Barlow is a graduate of Life University and has been in private practice in Tupelo, Mississippi since 2001. He served in the U.S. Navy 1982-1986. He is a number one best-selling author and was selected by the National Registries Top Doctors of America as the number 1 chiropractor in the state of Mississippi. He is also a sought-after dynamic speaker.

THIS COURSE: Endonasal Technique. Join Dr. Patrick Clary for a practical demonstration of the Endonasal Technique. Dr. Clary will cover patient preparation, required supplies, appropriate patient selection, expected outcomes, and documentation of the clinical rationale for the procedure.

I**NSTRUCTOR:** Dr. Patrick Clary is a 1994 graduate of Parker University and has practiced in Arkadelphia, Arkansas, since graduation. He is certified in Acupuncture, Impairment Rating, and whiplash diagnosis and management, with additional training through the Spine Research Institute of San Diego. His professional interests include nutrition and orthopedics.
