

# The Arkansas Chiropractic Society

## Presents: Chiropractic Radiography/Criteria and Evaluation of MRI/Pathology Review

February 19/20, 2022  
Fort Smith, Arkansas

### About The Instructor and Course

**INSTRUCTOR:** Dr. Jennifer Pedley studied musculoskeletal magnetic resonance imaging at Duke Medical University, is a graduate of Northwestern College of Chiropractic and received a Master of Science in Diagnostic Imaging from National University of Health Sciences. She had an undergraduate internship at NASA in space physiology research. Dr. Pedley wrote an article on spinal muscle activation in Space and was published at the NASA Ames Research Center. She is on the Council on Diagnostic Imaging and the American Chiropractic College of Radiology.

**THIS COURSE:** will discuss evaluating x-ray and MRI images and developing diagnostic reports. Dr. Pedley will advise physicians on radiology pathology and clinical significance. A discussion of appropriate referral, advanced imaging and treatment protocol will be presented. She will review case studies and address common questions.
