About The Instructor and Course

INSTRUCTOR: Dr. David Seaman is a graduate of New York Chiropractic College. The author of numerous books, articles and periodicals, Dr. Seaman is a much sought after post graduate speaker, lecturing over thirty weekends per year. He is currently a Professor at Palmer College of Chiropractic in Florida where he teaches clinical nutrition, neuroscience and complicated case presentations and also a professor, Department of Clinical Sciences at National University of Health Sciences. In 2006, he received the distinguished award of American Chiropractic Association's Academician of the year. He is also a columnist for "Dynamic Chiropractic", "The American Chiropractor", and the "Nutritional Wellness" periodicals as well the author of a book available on his website or at your favorite bookstore. Dr. Seaman has joined with Dr. John Rosa to write a chapter in a new book by the author of "Chicken Soup for the Soul", Jack Canfield, concerning the national opioid crisis. The name of the book is "Success Stories". A&E and Bravo aired an interview with all three doctors early in 2019.

THIS COURSE: will teach you about the expression of chronic inflammation and the DeFlaming process. We will discuss clinical applications including autism, immune health, disc herniation, depression and anxiety. Another important clinical application is aging. Last, we will review various conditions in relation to chronic inflammation. All is practical information to add to your practice.
